## Supporting Type 1 Diabetes Awareness

**Thanks for visiting the Reisinger 2025 Haunt!**

We are collecting donations in support of **Type 1 Diabetes research and care.**

**Teagan**, now 11, was diagnosed with Type 1 Diabetes at the age of 7. Our family is incredibly thankful for all of the support this organization has provided — and we invite you to join us in giving back.

■ **Scan below to donate in honor of Teagan Reisinger** and help advance research and support for families living with Type 1 Diabetes.

■ **Thank you for helping us make a difference!** ■
